Recreation manager, Wally Bandura

Nestled in a secure Viera neighborhood filled with amenities, this private club is proud to be called a challenging "shot maker's course." With a member-to-hole ratio of 13 to 1, members enjoy readily accessible tee times. Seven sets of tees welcome every level of golfer while a recently added Silver Tee Executive Course produces fewer hazards and quicker play time. Daily tournaments for men, women and couples make for camaraderie and competition in this quiet golf community – "the place patriots call home."
