Indian River Colony Club (IRCC) was the vision of retired military officers in the 1980's. This vibrant and secure over-55 community has successfully fulfilled the founders' dream of a military-focused golf community supporting independent living. IRCC seeks to embody patriotism and old-fashioned neighborliness. Comradery is championed while creativity is cultivated and shared. From inception, IRCC has been socially vibrant, economically stable, and forward thinking. Members enjoy resort style amenities in an active community while benefiting from comprehensive property maintenance. Homes are owner-occupied and cannot be sub-let or rented. Members own the community amenities, and the many clubs and activities are coordinated by members.

Fellow members bring amazing family and personal histories. Many have made incredible contributions across the fabric of our nation. This community cares deeply about this country and its people. Heroic and accomplished persons live in IRCC, however rank and station in life are shed upon entering the security gates.

IRCC membership means embracing a lifestyle and culture that is rare today. Be prepared to truly get to know your neighbors while waving and sincerely saying "Hello!" to all. Residents identify safety, the maintenance program, activities, social life, and the ease of developing meaningful friendships as important factors in making living at IRCC a true pleasure. Come join us!

# Extensive *Maintenance* Program

At Indian River Colony Club (IRCC), the wide-ranging maintenance program is one of the key features making this community so desirable. This program is comprehensive, cost-effective, and covered by a modest monthly fee.

The onsite IRCC maintenance staff provides peace of mind to members. Designed to ensure homes are well-maintained inside and out, our maintenance program allows members the freedom to enjoy the IRCC lifestyle without the usual homeowner hassles.

Maintenance concerns can be addressed with one simple phone call or an online request during normal business hours.

## Preventive services:

- Quarterly preventive maintenance home visits use a 17-point checklist to ensure everything is running smoothly. This service is designed to keep homes functioning efficiently and minimize unexpected issues.
- Severe storm protection: With an adequate storm warning forecast and for nominal fees, storm panel installation and removal are provided by teams from the IRCC Maintenance Department.
- Hurricane Preparedness Plan: IRCC prides itself on producing an annual Hurricane Preparedness Plan which leadership and residents can use to protect themselves and their property. Uniquely, senior IRCC leadership typically stays in the administrative building to provide timely support, response when possible, and communications to residents.

# The IRCC maintenance program includes:

- **Major appliance** service, repair, and possible replacement, including refrigerator, range, microwave, dishwasher, washer, dryer, garbage disposer
- **Major home system** repair and possible replacement, including hot water heater, whole house air conditioning and heat, garage door opener
- **Exterior paint** on a periodic basis
- **Roof** replacement on a periodic basis
- For homes with **pools**, routine cleaning is provided weekly at below market rates.
  - **Lawn care** and irrigation
    - Interior and exterior **pest control**
      - Annual **gutter cleaning**
        - Minor **plumbing** and **electrical** repairs

Patriotic Ceremonies & Traditions

*“We’ve finally found the place that we can call home.”*

*Although we don’t play golf or tennis, IRCC is the ideal place for us. We have wonderful neighbors who watch out for each other and there are many other activities to keep us busy. Low maintenance living (someone else does it, not me) is a dream come true. Retired military with over 12 moves, we’ve finally found the place that we can call home.*

# Like Living in a

# Resort!

Indian River Colony Club (IRCC) offers social companionship, a vibrant lifestyle, and amenities in a secure, park-like environment.

The At Ease Club is a superior private clubhouse providing members first-class service and gourmet dining. This clubhouse includes a well-appointed grand dining room with a dance floor, a private dining room for smaller groups, and the "19th Hole" - a casual bar.

Members can enjoy Sunday brunches, happy hours twice each week, seafood buffet nights, holiday celebrations, group dinner functions, block parties, and more. The chefs, cooks, and wait staff are all IRCC employees. The club boasts both a full-time Club Manager and Executive Chef!

Colony Hall is a separate building near the At Ease Club. This venue hosts many activities including plays, choral productions, military balls, banquets, community or private parties, and weddings. Seating over 200 guests, Colony Hall is also a busy community center used for numerous activities and events such as non-denominational chapel services, wellness classes, card games, piano bar, and club meetings. It houses a lending library with many donated books for members' reading pleasure.

“ We are truly delighted to be part of the paradise of IRCC. ”

We moved to IRCC because of the extensive inside and outside maintenance program, which is wonderful. No more need to hunt for an electrician, a plumber or any other home service person. They are all right here in our facility with their kind, caring and competent abilities. We also moved here because we loved the concept of being able to drive the Golf Cart not only to the IRCC Country Club restaurant, but also to local grocery stores, shops and restaurants. After we were here for a few months, we realized that what would keep us in IRCC forever were our new friends and neighbors who had become our chosen family. The plethora of activities and events for every lifestyle provided the opportunity to meet our chosen family. We are truly delighted to be part of the paradise of IRCC.
